

# WOODSTOVE Exchange Program

## New Rebates Have Arrived!

**Save money on home heating and improve local air quality by exchanging your old, smoky, uncertified woodstove (pre-1994) for an efficient and cleaner-burning EPA-certified wood, pellet, or gas heating appliance.**

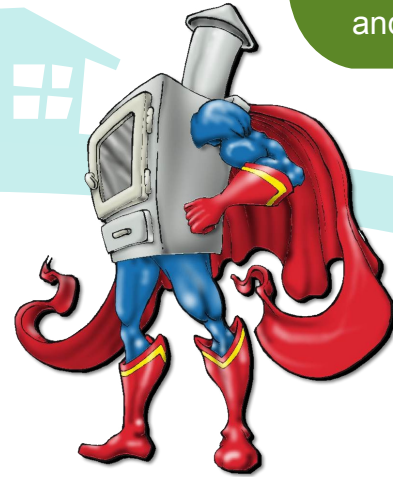

Qualifying CVRD residents are eligible to receive a \$300 Woodstove Exchange Program rebate through the CVRD plus a \$50 retailer discount offered through participating local retailers.

To find out how to apply for the Woodstove Exchange Program rebate visit [cleartheaircowichan.ca](http://cleartheaircowichan.ca)
